# Twins

**Each citizen of Decimal Town knows someone in
Fractionville that looks the same as him or her in pictures.
Look at the table below. In the left column is a citizen of
Decimal Town. The middle column is a picture of that citizen
and the third column is a citizen of Fractionville that looks
the same as the citizen of Decimal Town. Complete the table
by filling in the decimal, the picture, or the fraction. Each
row should show three equal amounts.**

| Decimal Town | Picture | Fractionville |
|:---:|:---:|:---:|
| 0.1 |  | |
| |  | $\frac{3}{10}$ |
| |  | |
| |  | $\frac{75}{100}$ |
| 0.08 |  | |
| |  | |

**Use with text pages 542–543.**
